Cable trench work between Edward Boyle Library and the Refectory

Disabled access changes during office hours

From 6 August 2018 – 17 August 2018

We are writing to inform you that, as a result of these works, access via the ramped pathway will be temporarily blocked between the School of Performance and Cultural Industries (PCI) and the School of Earth and Environment.

For disabled staff, students and visitors this will mean you will not be able to use a small section of the ramped pathway during office hours (between 09.00 and 17.00, Monday to Friday) for the duration of these works. The most direct alternative route will be by using the lift in the PCI building (see map below).

The pathway will be reopened each day outside these hours, and full access will be restored.

In the event of any difficulties, please contact Estates helpdesk: 0113 343 5555 or Security: 0113 343 5494.
