Leeds University Union
Public Realm Improvement Works

From 30 July – 7 September 2018

Improvement works are scheduled to take place at the front and rear of the University Union building.

The work to be undertaken will involve the removal of various storage areas and incorporate them into high quality public realm, creating better circulation space, and generally improving the aesthetics of the local conservation area. This work is part of the wider University Landscaping Strategy, which aims to improve the campus through a variety of initiatives, one of which being work to improve public realm. This investment of £315,000 will further build on the improvement works that took place in 2010.

Work will take place at different stages across the coming weeks. A breakdown of weekly activity and anticipated disruption is detailed below.
